Tracing practice for the character 'か' (ka). The section is divided into four columns, each with a numbered header (4, 3, 2, 1) and a corresponding character 'か' in a box. Below each column are three empty boxes for tracing, each with a starting dot. At the bottom of each column is a circular icon of a bat-like creature.

Tracing practice for the character 'め' (me). The section is divided into two columns, each with a header box containing a large 'め' character. Below each header are two empty boxes for tracing, each with a starting dot. At the bottom of each column are four circular icons: a bat-like creature, a fish, a sun, and a fish.
